

PLANT A SEED FOR TOMORROW

What do you call an individual who dedicates time and effort to bring beauty and the joys of our natural environment to people of all ages? A **WSU Master Gardener!**

WSU Master Gardeners are university-trained volunteers who serve as educators in their communities. They use research-based horticulture information as they train others to protect and enhance our environment, encourage community stewardship and promote human well-being. They introduce children to the world of plants, participate in juvenile rehabilitation using horticulture, instruct the underprivileged in growing their own food, plant and maintain enabling gardens for the elderly and disabled plus much, much more.

Your donation to the Master Gardener Program will help us continue our efforts in bringing beauty and environmental stewardship to the citizen of our great state.

Enclosed is my gift to the Master Gardener Fund in the amount of \$_____.
