2012 Online Training

Watch for a note from Cinde Johnson with instructions for Program Coordinators to get into the 2012 online training. We have been promised it will be ready for your review on December 6th. New MGs can register and get into the online course as early as Dec. 15th. There will also be instructions for veteran MGs to register for the DVD for \$70.

End of Year Reports

Please get the end of the year MG report survey completed by Dec 30th. Thank you to those of you who have finished. Listen to the portion of the webinar about end-of-year-reports for the discussion on who needs to do WORQS as well.

Snohomish County Master Gardeners lent their expertise to a very cool project in their community that combines gardening and nutrition education. A Native American teen leader who wrote about the project was selected to go talk about the project at the White House on Dec. 1st. Read about it here:
